

Drop Zone Bug

Drop zone allowing to drag and drop multiple puzzle pieces in the drop zone area.

Fix Plan:

1. Create conditional statement.
2. If something is dragged and dropped in the zone create a puzzle piece.
3. Else, create an alert if more than one puzzle piece is dropped in the dropzone.

Reset Puzzle Pieces Bug

Puzzle pieces on the drop zone not resetting when clicking thumbnail of a different puzzle.

Fix Plan:

1. Target every drop zone
2. Remove puzzle pieces when clicking in the thumbnail using the method
`innerHTML = ""`
